Our journey

Foundation Pre-School is a registered early childhood development centre located in Rutenga, Mwenezi, in the Masvingo Province. It started in 2010. Since opening our doors in 2010 with just 26 learners, we have experienced steady and inspiring growth. By the end of our first term, enrolment had risen to 42 learners, and in the years that followed our numbers continued to increase, reaching between 70 and 90 learners.

Today, Foundation Pre-School proudly serves children from Rutenga and surrounding communities, providing a warm, safe, and high-quality learning environment. Our dedicated team remains committed to delivering exceptional early childhood education, laying a strong foundation for every child's future.

Testimonials section

1. **From a nervous ECD A mom** "I was so scared to leave my 3-year-old, but on the first day he ran in without looking back! Teacher Rachel knew exactly how to make him feel at home." – Mrs Moyo, Rutenga Business Centre
2. **ECD B → Grade 1 transition** "When my daughter started Grade 1 at the big primary school, her teacher asked, 'Where did she learn to read so well?' I just smiled and said Foundation Pre-School!" – Mrs Ncube, 2024
3. **Grade 1 parent** "Other Grade 1 classes have 40+ children. Here my son gets help the minute he needs it. He comes home happy and enjoys homework!" – Mr Chuma, Mwenezi
4. **Long-term family** "All three of my children went through Foundation from ECD A to Grade 1. I wouldn't trust anyone else – it really feels like family." – Mrs Dube, Rutenga
5. **Shy child who blossomed** "My boy barely spoke when he started ECD A. Now in Grade 1 he stands up and reads in front of the whole class. I still cry thinking about the change." – Mrs Tshuma
6. **Affordability + quality** "Many private schools in Masvingo town cost double and still don't feed the children proper meals. Here we get quality education, food, and love at a price we can manage." – Mr & Mrs Sibanda
7. **Safety & cleanliness** "After visiting other schools in the area, Foundation was the only one that felt 100% safe and spotlessly clean. That decided it for us." – Mrs Nyathi, 2025 intake
